

## **EHN European Parliament Horse Group November 2012**

The EHN and the informal European Parliament Horse Group will be holding another of their popular lunch meetings at the European Parliament on the 27 November. The topic this time will be equine health and research.

MEPs, researchers and EHN members are invited to the latest EP lunch meeting.

1. Introduction – Julie Girling
2. The rising threat of equine disease in Europe
3. Availability of equine veterinary medicines
4. The importance of research to the European equine sector – introduction – Vicky Ford  
MEP
5. Horizontal 2020 – opportunities for the equine sector
